A bid made by Polimex-Mostostal for PLN 117.8 million was selected as the most advantageous one

11/23/2011

Today, i.e. on 23 November 2011, the Management Board of Polimex-Mostostal has obtained from the Marshal of Lubelskie Voivodeship information that the Company’s bid was selected as the most advantageous one.

The subject matter of the offer is the construction of two separate buildings, i.e. Conference Centre in Lublin and the Office of the Marshal in Lublin together with the essential technical infrastructure.

The offer value amounts to:

PLN 117,791,974.49 gross,

PLN 95,765,832.92 net.

The material scope of works includes:

1. The building of the Conference Centre in Lublin at ul. Grottgera 2 in Lublin of the following parameters:

built-up area: 1,450 m2
total area: 9,750 m2
usable area: 5,155.80 m2
cubic capacity: 48,812.74 m3
building height: ca. 24,5 m.
number of storeys: 6 above-ground storeys, 3 underground storeys and 52 parking spaces
2. The building of the Office of the Marshal at ul. Grottgera 4 in Lublin with the

following parameters:

built-up area: 2,400 m2
total area: 18,300 m2
usable area: 12,845.51 m2
cubic capacity: 88,249.19 m3
building height: ca. 22,8 m.
number of storeys: 6 above-ground storeys, 3 underground storeys and 186 parking spaces
and relocation of clashing network systems, building of a new underground infrastructure, roads and creation of green spaces.

The contract will be signed once the requirements of the Public Procurement Law are satisfied.
