The scope of contract works covers, among other things, the construction of:

an motorway section of the length of 23.1 kilometres with two lanes in each direction as well as emergency lanes,

two motorway junctions (the Bochnia and the Brzesko junctions),
two traveller service points in the towns of Kłaj and Stanisławice,
bridges,
animal passages,
acoustic baffles and road barriers.
- Since the beginning of the year, Polimex-Mostostal has signed numerous contracts, including contracts for the realisation of large road-related investments:
- of the value of nearly 844 million PLN gross for the construction of section B of the A-2 motorway Stryków - Konotopa,
- for the construction of a section of the A1 motorway from the Sośnica junction to the Maciejów junction for 1.1 billion PLN net,
- for the realisation of extension of Surzycki - Christo Botew Streets and construction of Śliwiak Street in Krakow, contract gross value: 80 million PLN, - informs President of the Management Board, Konrad Jaskóła.

- We are successively supplementing the portfolio with further orders. We have also recently made a bid with the best price for the construction of a power unit at a heat and power generating plant in Bielsko-Biała for 500 million PLN. We hope that in the coming future we will also sign this contract, concludes Konrad Jaskóła.
