

Certificate of Appreciation

In the fall of 2007 AB Mazeikiu Nafta has undergone the largest and the most complex Turnaround in our history.

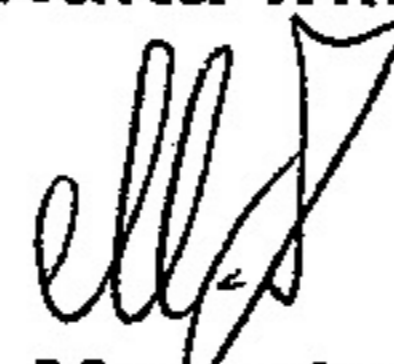

Over 4000 workers from more than 80 contracting companies coming from all around the world spent over 6 weeks on this spectacular undertaking.

This Certificate of Appreciation is presented to

Naftobudowa S.A.

for the exceptional level of dedication and quality of work carried out on the installation of the Crude Heater, VDU Exchangers, heater repair in LK-1 and pipe and equipment repairs in the KT complex.

On behalf of AB Mazeikiu Nafta please accept my kindest gratitude for your contribution. I am certain that thanks to Your help AB Mazeikiu Nafta will become stronger and more competitive refinery.
