Today, on 24 November 2009, there has been a Companies Merger Plan signed that provides for, among other things, the merger manner, company appraisal method, stock and share exchange ratio and principles pertaining to share granting.

The stock/share exchange parity has been calculated, providing for Polimex-Mostostal acquiring the assets of the aforementioned companies in exchange for its shares.

In particular, the Management Boards of the Companies will offer their stockholders/shareholders:

The parity has not been determined for EPE Rybnik and ECE Remont due to the fact that Polimex-Mostostal is their sole shareholder.

The Companies will submit a joint application to a relevant registry court for the appointment of a certified auditor to audit and provide an expert opinion on the Merger Plan.
