POLIMEX MOSTOSTAL TO UPGRADE STATE BORDER SECURITY ON THE LAND SECTION OF THE BORDER WITH THE REPUBLIC OF BELARUS

07/16/2024

On 10 July 2024, Polimex Mostostal S.A. concluded an agreement with the State Treasury - Commander-in-Chief of the Border Guard for the implementation of the task entitled “Upgrading of the state border security at the physical barrier section of the land border with the Republic of Belarus".

The subject of the contract is the strengthening of the physical barrier spans through the design and installation of additional steel reinforcements for the barrier spans.

The gross remuneration for the contract will amount to PLN 117.3 million.

10 November 2024 was indicated as the completion date for the subject matter of the Agreement.
